(j) Honorary members: These persons shall be admitted only by written proposal to the Executive Council, with reasons declaring why the honor should be granted. Upon recommendation of the Executive Council and a majority vote of the National Convention, such persons may be elected to honorary membership of the Catholic Library Association.

Officers

Sec. 5.³ The officers of the Catholic Library Association shall be the President, the Vice-President, and the Secretary-Treasurer, whose terms of office shall last from the final session of the National Conference of the time of election to the close of the second subsequent National Conference.

ing to the will and satisfaction of the majority of the members of the Executive Council.

(a) President: It is the duty of the President to preside over the annual business meeting of the Catholic Library Association or any special meeting which the Executive Council deems expedient to order; to name those who are to serve on Committees when directed to do so by a majority vote of the members of the Executive Council or of the members of the Association in National Conference assembled; to represent and stand for the Catholic Library Association, declaring its will and in all things obeying its commands.

(b) Vice-President: It is the duty of the Vice-President to discharge the duties of the President in the latter's absence.

(c) It is the duty of the Secretary-Treasurer to keep the minutes and proceedings of all the meetings of the Catholic Library Association; to note the names of the members present at such meetings; to keep on file a record of all activities, reports of boards, sections, regional conferences, units, committees, etc.; and to dispatch all correspondence exacted by the demands of courtesy or business expedience. He is the receiver and the custodian of all money payable to the Catholic Library Association, except the service basis charges of *The Catholic Periodical Index*; and as the disburser of funds he shall draw a draft on all contracted bills not in excess of the authorized appropriation. He shall submit to the President and the Executive Council semi-annual financial statements which must also be reported to the members in Annual Conference at the business session, and if accepted and approved, must be published in the next issue of the official organ of the Association. A financial statement, however, may be demanded by the Executive Council from the Secretary-Treasurer at any time to ascertain the condition of the treasury.

Executive Council

Sec. 7.5 It is composed of the President, the Vice-President, and the Secretary-Treasurer and six members at large, elected by the members of the Catholic Library Association with terms of office for six years.

(a) The Executive Council shall concur with the President in the formulation of plans and policies, and in the decisions of all purposes and procedures of the organization.

5 *Vide*, Amendments, Sec. 7 (d, f, g).

(b) The chairmen of all Boards, Sections, Regional Conferences and Units shall constitute an Advisory Board. They may take part in the deliberations of the Executive Council, but have no power of voting, which is reserved to the Executive Council.

(c) Quorum: A majority of the Executive Council of the Catholic Library Association, composed of six members duly elected by the Association at large and the President, Vice-President, and Secretary-Treasurer as *ex-officio* members, constitute a quorum in all matters requiring joint action and decision. Hence, the presence of five members at a meeting shall form the necessary quorum to transact business.

(d) The meeting of the Executive Council may be summoned either by the President or by two-thirds of the Executive Council.

(e) Vacancies: The Executive Council has the power to fill all vacancies in office *pro tempore*; the person or persons so elected serve only *ad interim*, until the next regular election held by the Association; except in the case of the death or resignation of the President, or his inability to serve, when the Vice-President becomes President. The election of a member of the Executive Council to the office of President, Vice-President or Secretary-Treasurer creates a vacancy in the Council that must be filled *ad interim* and as soon as possible. A majority vote of the Executive Council is here sufficient.

Boards

Sec. 8. These agencies are created by the Executive Council for the purpose of performing certain definite functions and of giving expert and efficient services for and in behalf of the Catholic Library Association as a whole. The members of the Boards determine policies, establish standards, and express critical judgments on important matters requiring technical knowledge, library training and/or wide library experience. These agents are responsible in their operations and in their opinions to the Executive Council, which must approve all actions taken and decisions made by the Boards before the matters are made known officially and effectively declared by them as authorized.

(a) The Board of Education for Catholic Librarianship composed of trained librarians, who have pursued complete courses at accredited library schools, is hereby authorized by the Catholic Library Association to act as a standardizing agency, to make surveys of existing Catholic li-

brary schools, to list those which have been approved, and to meet with the Board of Education for Librarianship of the American Library Association for the determination of proper and uniform standards of library training and excellence everywhere.

(b) The Advisory Board of the Catholic Library Association: The Chairmen of all Boards, Sections, Regional Conferences, Joint Sessions and Units of the Association, the Editor of *The Catholic Library World* and the Editor of *The Catholic Periodical Index* shall be regarded as the Advisory Board of the Catholic Library Association. They may sit with the Executive Council, but have no votes.

Sections

Sec. 9. For the purposes of the Catholic Library Association, a section is defined as an organization within the Association, with a definite and worthy objective, determined by the special interests it has within a limited sphere of activity.

(a) A petition for the establishment of a section must state clearly the purposes and the need for the proposed section. The petition must be signed by not less than twenty-five (25) members of the Catholic Library Association, who are engaged in the work of the proposed section. Before such petition may be granted by the Executive Council, it must be referred to a committee of the Executive Council, which must investigate and report to the Executive Council as a whole its findings and its recommendations as to the necessity and desirability of the foundation of such section. The Executive Council reserves the right and the power to discontinue a section when in the opinion of the Executive Council, the usefulness of that section has ceased.

(b) Sections may, if they so elect, charge extra annual dues, limit their own membership, issue publications, and in general carry on activities along the same line of their own interests, accounting to their own extra funds solely in these distinct enterprises and to their own members. Only members of the Catholic Library Association may be members of a section.

(c) No authority is granted any section to incur expense on behalf of the whole Association as such, by any declaration of policy.

(d) Provisions must be made by the Executive Council for sessions of the various sections in consultation with the Program Committee. Sessions of all sections are open to any member of

the Association at large desiring to attend sectional meetings, but no person may vote in any section unless he is qualified as a member of the same. The members of each section at its final session may elect its officers for the ensuing year, who serve until the close of the next Annual Conference of each section. The reports of sectional meetings must be forwarded in detail to the headquarters of the Catholic Library Association, and upon approval by the Executive Council, must be published in the official organ, *The Catholic Library World*.

Regional Conferences, Joint Sessions and Units

Sec. 10. A Regional Conference of the Catholic Library Association may be formed within the limits of a well defined area approved by the Executive Council. By Regional Conference is meant a grouping of a large territory, a section of the United States, with definite boundaries made by the Executive Council. By Joint Session is meant the grouping of a few Units, such as a diocese, state or a few states. By Unit is meant an assembly in a place or very limited area, where meeting is convenient and practicable for members of the vicinity.

(a) Regional Conferences, Joint Sessions and Units must submit applications from ten members of the Catholic Library Association, residing in the defined territory of each Conference, Joint Session, or Unit about to be formed, in order that the Executive Council may grant an authorization for these establishments. A record of these foundations, properly approved, must be filed at the headquarters office of the Association.

(b) No one is permitted to join a Regional Conference, Joint Session, or Unit, who is not a member of the Catholic Library Association.

(c) Regional Conferences, Joint Sessions and Units must each have at least one officer, who is to be called a Chairman. This officer is a member of the Advisory Board of the Association and may sit with the Executive Council, but has no vote.

(d) The reports of Regional Conferences, Joint Sessions, and Units must be forwarded to the headquarters office of the Association, and when approved by the Executive Council, should be published in the official organ, *The Catholic Library World*.

(e) Regional Conferences, Joint Sessions, and Units have no power to obligate the Catholic Library Association as a whole in any way what-

soever. They may, however, make recommendations and offer resolutions to the Executive Council for consideration or may bring these matters to the attention of the Catholic Library Association at large in Conference assembled, provided they have been presented to the members of the Executive Council beforehand, who jointly determine the policies of the Association.

Committees

Sec. 11. All committees shall be appointed by the President unless provision for their appointment is made by a majority of the members present and voting at the Annual Convention.

(a) No person shall be appointed as Chairman of a committee, unless he is a member of the Association and has library training and/or library experience.

(b) No chairman or committeeman shall be allowed to continue in that capacity, if there is little or no evidence of activity by the committee selected to do the work assigned. The President must inform the Executive Council of the progress of committees in activity.

(c) The President, with the consent of the Executive Council, may remove any chairman or committeeman who does not show evidence of cooperation and progress.

(d) Conditions governing committees must be cited by the Secretary-Treasurer, when these appointments are made, and a statement of the aims of each committee must be forwarded to the persons invited to serve.

Activities

Sec. 12.⁶ Activities conducted in the name of the Catholic Library Association shall be under the supervision and jurisdiction of the Executive Council, and controlled either directly or indirectly by the members of the Executive Council, in whom repose the powers to approve or reject measures taken by individuals or subordinate groups, and in whom is placed the authority to determine plans of action and to make decisions and judgments in conformity with the established policies of the Association. Hence, any attempt of any individual or group of individuals to commit the Association to a course of action without prior consent and approval of the Executive Council must be declared null and void.

Meetings

Sec. 13. A National Conference of the Catholic Library Association shall be held annually.

⁶ Vide, Amendments, Sec. 12 (e, f).

The time and place shall be determined by the Executive Council.

(a) Special meetings may be called at other times by the President with the decision of a majority of the Executive Council and the request of thirty members of the Association. At least one month's notice must be given regarding such contemplated action and only the urgent business specified in the call must be transacted.

(b) For all members of the Association attending a Regular Meeting or Annual Conference, a registration fee must be paid, determined by the current expenses of the Convention.

(c) No claims for traveling or living expenses by any officer, or member, or invited guest, are permitted without authorization by the Executive Council.

Nomination and Election of Officers

Sec. 14. (a) A Nominating Committee of five members, not officers, shall be appointed by the Executive Council five months preceding date of election. This Committee will nominate two or more candidates for positions to be filled, except for the position of Secretary-Treasurer, where they will nominate one or more candidates.

(b) At the same time, the Executive Council shall appoint a Committee on Elections, composed of three members, not officers of the Association, nor members of the Nominating Committee. This Committee on Elections shall count the ballots cast in the election and report the result in *The Catholic Library World*.

(c) The report of the Nominating Committee shall be published in an official ballot in the issue of *The Catholic Library World* appearing two months preceding date of election.

(d) At the same time the Nominating Committee shall send a secret ballot with self-addressed envelope to the Chairman of the Committee on Elections, to each member of the Association. The ballot is to be returned thirty days before the date of the Convention.

(e) Persons under consideration for membership on the Executive Council by the Nominating Committee must be instructed as to qualifications. No candidate for election to the Executive Council shall consent to have his or her name on the ballot, unless three of the six general meetings will be attended by such persons during the six year term.

Official Publications

Sec. 15. The official organ of the Catholic Library Association shall be known as *The Catholic Library World*.

Amendments and By-Laws

Sec. 1. (a) The Constitution may be amended by a two-thirds vote of those present and voting at two successive regular meetings of the Association, not less than four months apart, provided the notice of the proposed amendments be sent for consideration to each member of the Association at least one month before final adoption.

(b) By-Laws may be adopted by vote of the Association upon written report of the Executive Council or a special committee appointed and authorized by the Executive Council. By-Laws may be dropped or suspended by a two-thirds vote of those present and voting at any regular meeting of the Association.

Sec. 4. (h) Individual members: The annual dues shall be three (\$3.00) dollars which include subscription to the official organ of the Catholic Library Association without the Handbook number.

Sec. 5. (a) Officers: The Vice-President automatically succeeds the President, when the term of the latter expires, and he may, therefore, be regarded as President-elect. The retiring officer will then serve at least two years as a member of the Advisory Board.

Sec. 6. (d) Duties of Officers: The office of the Secretary-Treasurer is regarded as the headquarters of the Catholic Library Association, where all official records must be preserved.

Sec. 7. (d) Votes by Correspondence of the Executive Council: The approval in writing by a majority of the Executive Council on all matters requiring their action and decision has the force of a deciding number of votes, provided not more than one member expresses dissent. Failure of one or more members to render an opinion for or against a proposal made by the President of the Association on matters requiring action or decision or postponement by the Executive Council has the same effect as of a person or persons present but not voting. Two dissenting votes of the Executive Council necessitate the presentation of a minority opinion or opinions in writing to the Executive Council for further consideration; and a second vote on the same matter must then be taken before the action or decision becomes effective.

(f) A review of all decisions by the Executive Council during the year from one annual meeting of the Catholic Library Association to the next must be offered and any modifications or revisions thought necessary will be discussed and finally adopted or rejected. The list of agenda must be prepared beforehand and summarized in an orderly manner and the text of the decisions presented according to the rules of parliamentary law, so as to expedite final decisive action by the Council assembled in executive session; the same matter must be outlined for the members of the Catholic Library Association, who may be present on the closing day of the Annual Conference. The texts of all decisions must then be published as soon as possible in the official organ, *The Catholic Library World*. The exact, official and completed report of the whole Conference and all papers presented must be filed for record with the Secretary-Treasurer at headquarters.

(g) Absences: In case of emergency at National Conventions, to meet the situation that sometimes occurs regarding the necessity of a quorum of the Executive Council for the transaction of the business of the Catholic Library Association, a proxy shall be appointed by the President and the Executive Council.

Sec. 11. (e) A Finance Committee of three members chosen by the Executive Council must prepare an estimate of income for the fiscal year. The accounts of all receipts and expenditures of the Secretary-Treasurer as well as cash on hand and accounts outstanding must be examined by the Finance Committee; then audited by a certified public accountant; and the financial condition declared to the Executive Council and the members of the Catholic Library Association at the Annual Conference.

(f) When a Resolution Committee is required at the Annual Conference of the Association, the President appoints same with the advice of the Executive Council. This Committee of three must prepare all resolutions requested and submit them to the Executive Council for approval, and then make a report to the Association at large during the final session of the Annual Convention.

(For Nominating and Election Committees, see Section 15 of the Constitution.)

Sec. 16. (a) All budgets of expenditures must be within the limits of the income of the Association.

(b) All appropriations and expenditures must be ordered and approved by the Executive Council in advance of commitment.

(c) Budgets of the running expenses for the transaction of official business of the following offices are provided for: President, Secretary-Treasurer, Editor of *The Catholic Library World*, the Chairman of the Editorial Board of the *C. P. I.* and the Editor of *The Catholic Periodical Index*. The Secretary-Treasurer must submit applications to the Executive Council accompanied by an estimate of expenditures involved.

Sec. 17. Affiliations. That the members of the Catholic Library Association may reap the benefits and advantages of closer relationships with other associations with kindred and mutual interests, affiliations may be proposed with any such organization by petition or resolution passed at the Annual Conference or any regular meeting of the Catholic Library Association.

(a) Provided that the Catholic Library Association does not sacrifice thereby, in any way, its independent existence and activities according to the policies decided and declared by the Executive Council.

(b) Provided further, that two-thirds of the members of the Catholic Library Association registered and voting by mail are in favor of this closer relationship.

(c) Provided, furthermore, that such combinations of interests and operations shall be controlled by the Executive Council in conformity with its decisions rendered in each project regarding the extent or limits or obligations of such joint action.
